

How to use the dashboard

- Every store should receive a weekly dashboard, if not please contact support@mobietrain.com
- In the dashboard you can see who completed which training.
- You can identify knowledge gaps and give more coaching to people who need it.

The screenshot shows the dashboard's filter interface. It includes four dropdown menus for 'Centre', 'Select learning path', 'User', and 'Select a range...'. Below these are three search-based filter panels, each with a 'DESELECT ALL' link. The first panel lists countries: Czech Republic, Europe, Germany, HQ, N/A, Netherlands, Norway, and Poland. The second panel lists store/center names: Batavia Stad - Center Management, Centre Management, Example store, Fashion Arena - Center Management, Hede Outlet - Gant, Hede Outlet - iittala outlet, Hede Outlet - Lindt, and Hede Outlet - Samsøe Samsøe. The third panel lists job positions: Center Management, Centre management, N/A, Sales Assistant, and Store Manager.

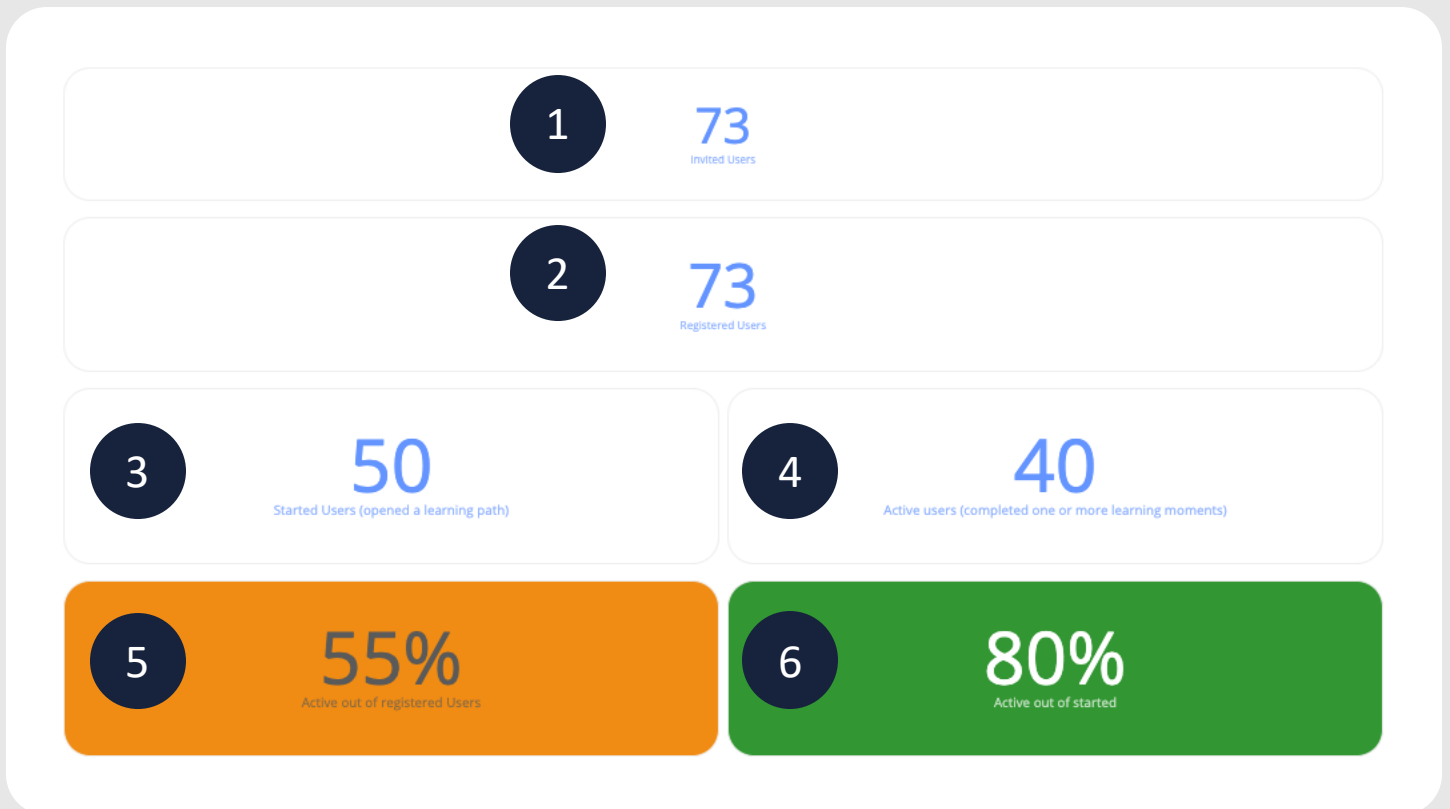

Filters

- Center
- Learning path (training)
- User
- Date range

You can also select Countries, store or job position.

Attention: Depending on your store and center you will receive the dashboard with filters automatically applied.

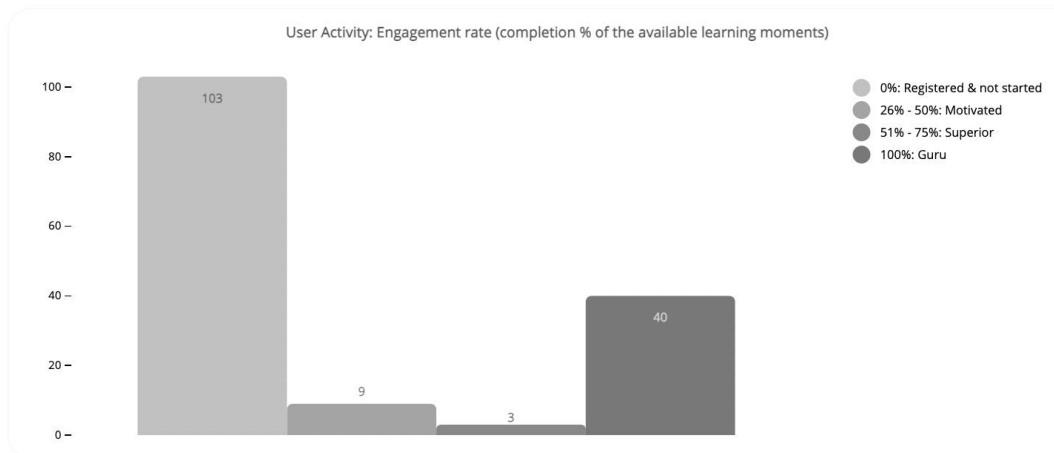

How to use the dashboard

- 1 How many users have been invited.
- 2 How many registered users do you have (on the selected training).
- 3 How many users have started this training (clicked on it).
- 4 How many users are active on this track (have at least completed one or more learning moments).
- 5 % of active users VS Registered Users (Number 4 divided by number 2)
- 6 % of Active users VS Started Users (Number 4 divided by number 3)
